CONFIDENTIAL  
MEMORANDUM

MEMORANDUM FOR: Mr. Craig Alderman, Jr.  
Chairman, IG/CM(P)

FROM: Marvin T. Doig *MD*  
Chairman, Physical Security Committee

SUBJECT: Physical Security Strategy Paper

Attached please find the subject paper. As mentioned in previous discussions and correspondence, it is the object of this paper to outline a broad strategy to address fundamental shortcomings in the Government's physical security effort. This newly edited version reflects comments from Physical Security Committee members generated by previous iterations of this document.

Due to time constraints, it has been decided that my personal review of this version would suffice if it remained faithful to the earlier edition agreed upon by the general membership. This has, in fact, been the case. Two minor pen and ink changes were made at my direction.

This document is being forwarded directly to other members of the IG/CM(P) for their review prior to the November 2 meeting, and to the Physical Security Committee membership for information.
